

# Learning to Love It

---

(A Bible reading plan for those who don't like to read.)

---

1. Read these passages in the order presented here.
2. Don't worry about **how much** you read. Just **read something** from the passage, and continue in that passage for as many days as it takes to complete it. Then move to the next in the list.
3. When you finish the plan, start over at the beginning.

This plan will take you through the high points of the Bible, and will provide a good overview of Scripture.

Read these passages, left to right, top to bottom. (i.e., read Genesis 1–11, then Psalm 1, then Genesis 22, etc.)
